SECY TO GOVT OF MYSORE

L S G BRANCH

Petitioner - B H Ranganna No 29 Yellappa's street Chikkamavalli Bangalore City

The Petitioner begs to state as follows -

1 The Petitioner is the owner of Survey No 67(2)B of the Tumkur Kasaba

2 He has purchased the land for ₹ 2000/- from one Venkatappa on 27-5-43 and has been in possession since then

3 It has been notified in the Mysore Gazette dated 21-10-1943 that the whole extent of the land is required for a Road and 'other improvement works' the Government has orderd that in view of the urgency of the matter the provitions of Section 5(a) of the Land acquisition Act shall not apply

4 The Petitioner whose name does not appear as the owner in the notifications begs to state that the notification as it stands is not legal as 26 guntas of the land is garden to which the exemption does not apply

5 Moreover the petitioner understands that the Municipality has resorted to acquire the whole land while what is required for a road is only a width of 20 feet which the petitioner is willing to giveup at a reasonable compensation

6 The Petitioner had also applied to the deputy Commissioner for getting this land converted as he wanted to build a building and the matter is still pending although the application was made to the Deputy Commissioner on 1-6-1943

7 Therefore the petitioner prays that the records pertaining to this matter which have lead to the notifications No I 4285 & 4286-Nil-16-43-27 dated 18-10-43 be called for and the petitioner given an opportunity to object to the Acquisition proceedings in the usual course

8 The Petitioner furtner prays that the Deputy Commissioner be ordered not to proceed to take possession of the property until a proper notification is published and until this petition is disposed of

Subject - Waiving of conversion fine in respect of S No 67/2(b) of Tumkur kasaba belonging to Mr B M Ranganna Contractor Bangalore

---

With reference to your letter No L 7269/ I 111-43-86 dated 18- -1944 forwarding for opinion the petition dated 12th January 1944 received from Mr B Ranganna contractor Bangalore on the above subject I have the honor to enclose herewith the connected records ending with the Tumkur Sub Division Officer's report No S C 60-43/43-45 dated 2-8-1944 and to state as follows -

S No 67/2 of Tumkur kasaba belonging to the petitioner is divided into 2 hodes viz 67/2(a) and 67/2(b) Both these survey numbers along with certain other properties were acquired by Government as per notification No L 4286-4/ I 16-43-27 dated 18-10-43 for the formation of a road from Somes Sreepura extension to the New Saddle School at Tumkur Later on the applicant Mr B M Ranganna made gift deed of 13 guntas of land out of S No 67/2 for constructing the road He then persuaded the Municipal Council to withdraw from acquisition the entire survey number Accordingly the Council passed a resolution on 1-5-1944 to withdraw acquisition proceedings in respect of S No 67/2 (b) and the President Town Municipal Council Tumkur requested in his letter No M C 87/41-42 dated 4-5-1944 that the acquisition proceedings in this case may be ordered to be withdrawn The acquisition of the land was accordingly withdrawn by Government as per notification No L 12955/ I 16-43-38 dated 20-6- 944

The sketch showing the position of S No 67/2(b) is enclosed in the records It measures 36 guntas in extent Out of this the applicant has given 13 guntas to the Municipality and wants to convert the remaining extent of 23 guntas into valuable building sites free of ~~xxxx~~ conversion fine The Sub Division Officer Tumkur who was asked to furnish his opinion in the matter says that the land will

(15

ill become very valuable when converted into building sites being in the middle of the Someswarapura extension and very near to the Government High School he adds that it can be easily converted into 4 big bungalow sites and the cost of each will be not less than Rs 3000/- If it had not been for the voluntary gift of 13 guntas to the municipality for road purposes the municipality would have pressed for the acquisition of the entire extent of 67/2 having thus saved 23 guntas out of 36 guntas for valuable building sites he starts to evade payment of conversion fine I am therefore not in favour of giving the conversion fine on the extent of 23 guntas as prayed for by the applicant @ per present enhanced rates conversion fine at Rs 2000/- per acre may be levied in this case
